

16g over & under by Browning 26 x 2 3/4? barrels

Description

This is the first 16g Browning I've had. The gun is in beautiful condition and it is the White Lightning model. It has a 14 1/4? stock, comes in its Browning case with chokes etc. and has had very little use. Opens and closes like new. This gun will be capable of firing standard steel cartridges with the correct choke selection.
