

12g A&D Ejector by Thomas Turner – 28 x 2 1/2? barrels

Description

This left hand opening Thomas Turner was built circa 1900. Barrels are 28? x 2 1/2? steel which are choked improved cylinder and 1/2 and the top rib reads "Thomas Torkyr, Fisher Street, Birmingham". The scroll backed action is half engraved with fine scroll as to the engraving. The lever opens to the left, it has a third locking grip to the barrels and has a full epindle lever system with rocker safe, and Deeley box ejectors. Stock dimensions at a 14 1/2? It is beautifully figured with panels and drop points and it has been re-chequered and being left handed opening, makes it scarce.

WEIGHT: 6lbs 7oz

CONDITION: A couple of minor marks in both tubes, nothing to be concerned about.
