

## .375 belted magnum double rifle by Holland & Holland with 25? barrels

## Description

This beautiful rifle by Holland & Holland is a Royal Deluxe. Mythical beasts, serpents and bold acanthus scrollwork are engraved on the bolstered action, along with the grotesque mask engraved on the underside of the action and pistol cap. With a rolled edged to user guard and articulated front trigger, the rifle retains the majority of its original finish ever, undersually, bears an ivory escutcheon plate. The chopper lump barrels are 25? and have a station of the barrels reads, "Holland & Holland, 98 New Bond Street, London", on the top ribraries are 575 magnum belted cartridge" and on the lower rib "Modele De Luxe". The rifle comes in its case with trade label, charge card and accessories. It might be the most spectacular double I've seen.
