

## 20g over & under by Beretta 29 1/2? x 2 3/4? barrels

## Description

This is a Beretta SO9 in beautiful condition. Engraving by M Candito is fine scroll, with grey partridges on the left-hand side, settling mallards on the right with a woodcock to flight on the underside of the action. The gun has a single non-selective trigger, auto top satisfied a rolled edge guard. It has its original highly-figured woodwork with a vacant silver earticle on plate. A super gun which has been beautifully made. This gun would be capable station standard steel cartridges if the top choke was reduced.
