

12g A&D ejector by Webley & Scott – 26? x 2 3/4? barrels

Description

This is a 700 model with 26? x 2 3/4? steel barrels. It has a cross-filed, Churchill, quick-sighting rib, and the straight-hand stock measures 14 3/4?. Retaining 95% of its hardening colour, this gun is pretty much like new.
