

12g A&DE by Webley & Scott – 28" x 2 3/4" barrels

Description

This is a Webley 702 model in fabulous condition. Retaining the majority of its original hardening colour, the action, cover plate etc., are engraved with bold scrollwork. Barrel measurements are 28" 2 3/4", and unusually, both barrels are choked full. The barrel tubes are signed "Webley & Scott, Birmingham". Fitted with a well-figured, 15 5/8" stock with panels and drop points, this is a super gun capable of firing standard steel cartridges with the chokes regulated.
