

SOLD – 12g Beretta SO5 Sporter – 29 1/2" x 3" multi-choked barrels

Description

Now, this is a nice thing – a Beretta SO5 Sporter with 29 1/2" x 3" multi-choked barrels. Partially engraved on the action and locks are panels of fine scrollwork, and the lock plates are signed with 'Beretta.' The gun has a beautifully figured, 14 5/8" stock with a palm swell for the right hand, a manual top selective safe, and is presented in its maker's case with spare chokes. With the correct choke selection, this gun will be capable of firing standard steel cartridges.
