

12g A&D ejector by Charles Hellis – 28? x 2 1/2? barrels

Description

This Charles Hellis A & D Ejector was built circa 1935 and is like new. Barrel measurements are 28? x 2 1/2? and the top rib reads, Charles Hellis & Sons Ltd, 121 and 123 Edgware Road, Hyde Park, London. Retaining 95% of its original hardening colour, the gun has a full spindle lever system, a rocker safe and Southgate ejectors. Engraving on the action, cover plate and guard is fine rose and scroll and the stock has panels and teardrops along with a Silver's pad taking it to the finished length of 15 1/2?. What a fabulous gun.
