

12g OU by Beretta – 28? x 2 3/4? barrels

Description

This is a Beretta 687, 28? multi-choke, single trigger, in really good clean condition. Engraving style on the action is game scene – partridges in flight on the right side, rising ducks on the left with woodcock in flight on the underside. It has a 14 1/2? pistol grip stock, with a manual selective top safe. A good reliable shooter for someone. With the correct choke selection, this gun will be capable of firing standard steel cartridges.
