

SOLD – 12g OU by Miroku – 30? x 2 3/4? barrels

Description

This Miroku has 30? barrels with a broad, ventilated, cross-filed top rib. Engraving on the blacked action is Miroku’s standard scroll work, and the pistol grip stock measures 14 3/8?. Although 40-50 years old, it is pretty much like new, and I think an excellent buy at \$495.
