

12g over & under by Bettinsoli – 30? x 3? barrels

Description

This is a 12g X Sport T16 and has 30? x 3? barrels. Engraving style is scroll and is inlaid with gold clay pigeons and a floral design on the bow of the rolled edge guard. It is absolutely like new. The 14 5/8? pistol grip stock has an adjustable comb and a palm swell on the right shoulder. Single selective safe is manual and the gun comes in its case with spares, choke key etc. and original paperwork. This gun is proved for steel and I feel it is a brilliant buy at less than £750.
