

12g over & under by Merkel 28? x 2 3/4? barrels

Description

This Merkel is in pretty much new condition. It's a full sidelock and has detachable locks. The gun is engraved with acanthus scroll and game scene, the left lock is engraved with a fox in pursuit of partridges and the right is a pointing dog flushing game. The action has bolstered fences and a cross bolt locking system, the top safe is manual and the gun has a single selective trigger. The 14 3/4? stock is pistol gripped and well figured, with a matching three piece fore-end. The 28? barrels have an engine turned ventilated 8mm top flange and are fitted with a full set of Teague chokes. The gun really is like new. With the correct choke selection this gun will be capable of firing standard steel shells.
