

12g sidelock ejector by C S Rosson & Co – 27? x 2 1/2? barrels

Description

This truly is a spectacular, Rosson shotgun in original condition. Built circa 1930, it has been in one family from new. Steel barrels measure 27?x 2 1/2? with a fabulous address on the top rib, "C S Rosson & Co, Rampant Horse Street, Norwich". With the Southgate ejector system, the action and locks are engraved with fine scroll, including a grey partridge on the underside of the action. The 14 1/2? straight-hand stock has a slight diamond check and has never been re-chequered or oil finished. Presented in its original, lightweight case with trade label. Weighing only 6lbs 3oz, this gun would make a great woodcock/grouse gun for somebody.
