

12g sidelock ejector by Williams & Powell – 28 x 2 3/4? barrels

Description

This beautiful gun by Williams & Powell has new barrels fitted by Cogswell & Harrison and has been re-proved to 2 3/4", with a sunken game rib and a third locking grip. Engraving style on the action and locks is fine scroll, showing vignettes of game scene. A nye of peasants appears on the right lock, whilst on the left, a lekking of blackcock and the balls of the action are chiselled with ribanded fences. The 14 5/8? straight-hand stock has a buffalo horn extension piece, a vacant gold escutcheon plate, and the gun has an Anson fore-end with Deley ejectors. Presented in a leather-cornered, leather Brady case with a trade label. The gun will be capable of firing standard steel cartridges without alteration.
