

20g A&D ejector by AYA – 27 x 2 3/4? barrels

Description

This is an AYA No.4 with pretty much all it's original finish. The stock has been cut down to 13 5/8? for a young shooter, but all in all in fine condition. If I'm being critical the 27? x 2 3/4? barrels could probably do with being re-blacked.
