

Pair of 20g round bodied guns by Rizzini, 25 x 3 barrels

Description

This is a pair of 20g BR550 round-bodied Rizzinis with double-triggers and manual safes. Engraving on the action bodies is bold acanthus and the 15th Prince of Wales. Stocks are incredibly well matched. They have 25 x 3 steel proved barrels with an 8mm concave rib. The guns are unfired and come in two single Rizzini cases. Being a true pair, they're consecutively numbered and have numbers 1&2 inlaid in gold on the top levers. They'd make fantastic walked up grouse or woodcock guns.
