

20g A&D ejector by Webley & Scott with 26 x 2 3/4 barrels

**Description**

This is a 20g Webley 702, the top rib reads "made expressly for S.R. Jeffery & Son Ltd, Guildford". The gun has 26 x 2 3/4 steel barrels, choked 1/4 & 1/4. The gun retains the majority of its original hardening colour, it has a Scott screw-grip lever system, Anson gun-end, Southgate ejectors and an articulated front trigger. The 14 5/8 stock is beautifully figured and is approximately central vision. All-in-all in tip top condition. It comes in a Brady case and leather case and will be capable of firing standard steel.
