

12g A&D ejector by F P Baker – 28 x 2 1/2? barrels

Description

This boxlock by F.P. Baker & Co was built circa 1915 and has 28? x 2 1/2? steel barrels with a third locking grip. Fully engraved with fine scroll and scrolled and beaded borders, it has a full spindle lever system, a rocker safe and Deeley box ejectors. A beautifully figured 15? stock includes about 1? of Bakelite and has panels and drop points. The gun has been fully re-jointed, ribs lifted and re-laid, barrels polished and blacked and has had a full mechanical overhaul with the furniture being polished and blacked. A super little gun which comes in its brass bound leather case with trade label.
