

20g A&D ejector by AYA – 25 x 2 3/4? barrels

Description

This is an AYA XXV. The gun has a 14 5/8? straight hand stock, the 25? x 2 3/4? barrels have a quick sighting, raised, cross-filed top rib with “AYA” inlaid in gold. The action body, cover plate and guard are engraved with foliage and scroll work. All-in-all quite a rare fine gun. With the left choke reduced, this gun will be capable of firing standard steel shells. This would make a fabulous walked up grouse gun as it only weighs 5lbs 11oz.
